DESCRIPTIF

This lovely family chalet is laid out over 4 floors .

It was finished in 2013, and has very good quality fittings and fixtures Local stone and wood is used throughout the chalet and it is robust and well constructed.

The entrance and ground floor has a large reception hall with space to store skis and boots , or bikes .

The second floor has 3 additional large ensuite rooms with a wider balance with plenty of space to sit outside .

The main level houses the large open plan kitchen diner .

The kitchen is currently set up as an industrial kitchen with a large pantry , but could easily be replaced to a more classic family kitchen. A huge extendible dining table sits in the middle of the room , and then a very comfortable seating area around a stunning hanging decorative fire place.

The Large terrace has a hot tub , (not tested) and plenty of seating .

There is a mezzanine TV snug above the lounge , this could be easily reduced if you prefer to enjoy double height windows.
