In the center of Nyons, in the Drôme Provençale, with 300 sunny days on average per year, here is your chance to sip your Côtes du Rhône classified local wines at the heated swimming pool with family and friends.

DESCRIPTIF

The town of Nyons has all it takes to have a comfortable life. And this property adds so much quality of life to that. Nyons has all you need in terms of commodities, from a fantastic cinema to associations for bridge, medical facilities and secondary schools. Excellent local produce and a relaxed lifestyle are the much appreciated specialties, but also a good train connection to cities like Paris, Marseille, airports and motorways. Only 30 kilometers from the A7-motorway, where broad and easy roads will lead you comfortably.

The property which is very easy to maintain, built in 2013, has many luxury elements to lead the quiet life. A wonderful view and beautiful, not too big garden to have privacy all over for you and your guests.

Around Nyons, you and your friends will not cease to discover the marvellous hiking and biking possibilities. This area of the Provence, close to the Alps, is enormously divers. Around each corner you will find amazing landscapes, with lavender fields, olive groves, vineyards and forests. Beautiful small Provencal villages with excellent restaurants are close by as well.

As all of the property has been renovated and built in 2013, and the construction was meant to have a relaxed life, it is entirely equipped with robotics. Of course fiber to maintain connections with the outside, working world, but also commandable heating, cooling, opening and closing of shutters. Many more features in this respect as well as an architect built main house show
