AUTHENTIC RESORT
VILLAGE OF ST MARTIN -

Ref : A34689MAA73

Unique opportunity of a 320 sqm ski chalet combining the traditional Alpine façade of local wood and stone with modern, high-quality interiors. This is a remarkable opportunity to purchase a fantastic ski chalet in one of the most sought after villages of the Belleville Valley.

DESCRIPTION

This exclusive project is a development of two new build chalets of very high quality sold off plan. With the purchase of an off plan chalet, you have the possibility to define the internal layout with the developer in order to create a chalet which is bespoke and specific to your needs (where technically possible)

Villarabout is a year round village with a mix of local residents and holiday homes. Saint Martin de Belleville is easily accessible from Villarabout yet has the peace and quiet you may desire in a mountain setting. The village springs to life in the Spring with wildlife and mountain flowers. From the chalet you have plenty of trails and footpaths to enjoy not to mention all the summer activities such as cycling, mountain biking, via ferrata's, hiking and plenty more.

There is the possibility to recuperate the 20% VAT with a rental contract in place. For more information about this exciting new development, please do not hesitate to contact us.
