Just a few minutes from the center of Vaison-la-Romaine, this contemporary villa, thoughtfully designed by two artists, offers the perfect balance of elegance, functionality, and harmony with its natural surroundings.

DESCRIPTIF

Designed to maximize its south-facing exposure, the house enjoys exceptional sunlight while also providing shaded, cool areas for optimal comfort in all seasons. Natural light floods every room thanks to large sliding glass doors and carefully selected barn doors. Each room opens easily onto the garden, inviting seamless indoor-outdoor living.

The villa is composed of several distinct living areas: the first includes a kitchen and dining room, with a bedroom and bathroom on the mezzanine above. This space connects to a large living room with a fireplace/insert, which elegantly separates this area from the master wing.

The master suite features a dressing room, bathroom, separate toilet, and laundry room. The bedroom opens onto a private terrace, perfect for relaxing moments.

An independent guest house offers a bedroom, bathroom with toilet, and its own private terrace. Finally, two artist studios or home offices, each with separate entrances, complete this unique property—ideal for creatives or remote work.

Set on nearly 17,000 m² of impeccably landscaped grounds, the estate features century-old olive trees, a majestic linden tree, and typical Provençal plants such as lavender. At the heart of the garden, a large gated swimming pool (12.5 m x 5 m) invites relaxation, while ample parking makes daily life easy. A shaded pétanque court completes this idyllic setting, offering a friendly and refreshing space for games with friends or family.
