Set in the picturesque and traditional hamlet of Villarabout, just 1 km

DESCRIPTION

The chalet has been designed to serve equally well as a welcoming family home and a high-performing rental investment. The accommodation is generous and well laid out, with five en-suite bedrooms providing excellent comfort and privacy for family members or guests. The living areas are warm and inviting, blending authentic Alpine character with modern comfort, and open naturally onto the outdoor spaces.

The property is sold fully furnished, offering a turnkey solution for immediate enjoyment or operating as a rental chalet. The furnishings have been carefully chosen to complement the Alpine setting and enhance the sense of comfort and quality throughout.

The chalet also sits on its own plot of over 700sqm with generous garden space and also a lock up garden storage cabin at the end of the private drive.

The chalet benefits from easy access to the Three Valleys, the largest linked ski area in the world, offering over 600km of pistes suitable for all abilities. You can reach St Martin de Belleville on the free ski bus service and from here, skiers can enjoy direct links to Les Menuires, Méribel, Courchevel, and Val Thorens, renowned for its high altitude skiing and long, reliable season. The ski area is equally celebrated for its excellent snow record, modern lift infrastructure, and wide variety of terrain, from gentle green and blue runs to challenging high-alpine slopes and off piste skiing.

Beyond winter, St Martin de Belleville is a thriving four-season destination....
