Contemporary and stylish, this super architect-designed villa is located in a highly sought-after village close to Pau!

Built on three levels, the south-east-facing property is filled with sunlight all day long - and the terrace overlooking the swimming pool

DESCRIPTION

...

Perfect for a spacious family home or a luxurious holiday home, this delightful architect-designed villa of 170m² is located just 15 minutes away from the centre of Pau in an exclusive residential area.

Recently re-styled by an interior-design architect, the villa has four spacious bedrooms (with the possibility of creating a fifth), a south-facing swimming pool, a sunny outdoor dining terrace and beautiful woodland grounds of 1,500m²,

The villa is approached along a country lane, which winds uphill through a peaceful hamlet. Decorative metal gates open into a private driveway, where you can either park outdoors or inside in the villa's garage. It should also be possible to get permission to construct a carport adjoining the drive.

The garage is 27m² and has a door into the villa's kitchen, which is very convenient when unloading shopping from the car. The garage also has a concrete staircase down to a basement level beneath the villa and which is currently an open-plan area of 60m².

The villa's front door opens into an entrance hall, which has hanging and storage space. To the left is a staircase to the upper floor; to the right is a door into the kitchen. The sitting room/dining room is straight ahead, which can be closed off from the entrance hall by floor-to-ceiling sliding doors.

The kitchen is modern and has a practical layout. It adjoins the spacious sitting room/dining room, which is equipped with an energy-efficient wood-burning stove. From the sitting...
