DESCRIPTION

With approximately 130 m² of living space on an enclosed plot of 763 m², the house is arranged over two floors. The ground floor comprises a 21 m² living room with a fireplace and wood-burning stove, a separate, fitted and equipped kitchen of 12 m² opening directly onto the garden, as well as three ground-floor bedrooms measuring 20.6 m², 10.6 m² and 9.5 m², one of which has its own toilet and washbasin. Two shower rooms, a separate toilet and several storage areas complete this level.

Upstairs, a landing leads to two lovely bedrooms measuring 17.6 m² and 17.4 m², both fitted with built-in wardrobes, as well as a third toilet with a washbasin.

Heating is provided by a wood-burning stove, supplemented by individual electric radiators. The double-glazed aluminium and PVC windows, rock wool insulation in the loft (20 cm) and partial wall insulation all contribute to the house's thermal comfort. The property is connected to fibre-optic broadband and is connected to the mains drainage system in accordance with regulations.

Outside, the landscaped garden, fully enclosed by stone walls approximately two metres high, offers a private and secluded setting. A terrace of approximately 20 m², a recently built garden shed, a wood store and a pleasant courtyard complete the property.
