DESCRIPTIF

RARE FOR SALE :

This magnificent property is ideally situated to the west of the Paris Basin (130 km from Paris), on the borders of the Eure and Orne departments, near Verneuil sur Avre, in the heart of Normandy in the wooded region of the Pays d'Ouche.

Close to the town of L'Aigle: train station less than 2 hours from Paris (Gare Montparnasse), schools, supermarkets, hospital, etc.

The château and its well-kept grounds set in the heart of the Normandy countryside

A long tree-lined driveway (approx. 300 m) leads to the chateau and its annexes (on the left: pasture with horses; on the right: a large car park).

This vast and beautiful property began to be refurbished in the 2000s, to accommodate 120 people (room) and around 50 beds.

Recent work to install heat pumps (PàC) has enabled the site to be better maintained (3 PàC: 2 for the château and 1 for the annex). All the windows have also been replaced (53 double-glazed and PVC windows). Thanks to these recent improvements, the energy rating is now C (and the GHG rating is A).

This magnificent Norman château dates back to 1630 (and was then gradually refurbished in 1830 and 1895). It is built over a crawl space (no worries about damp), and has 27 rooms with almost 650m² of living space, in grounds of almost 6ha.

The gîte and event reception business (now closed) used to host around 35 events a year. This property is immediately ready for events (compliant with standards: fire doors, PRM, fire extinguishers, evacuatio
